Help Students Find the Information They Need!

Follett Educational Services (FES) offers a complete selection of *brand-new* reference materials at savings up to 45% off publisher prices! The newest titles and latest editions are available for all ages and grade levels. With materials to fit any informational need and everyday low prices to fit any budget, FES makes it easy to provide your students with up-to-date resources.

Outstanding Selection from a Single Source!

- Major publishers offered include American Heritage, Federal Street Press, Merriam-Webster, and Random House.
- Our comprehensive collection of reference books include: dictionaries, thesauri, atlases, encyclopedias, handbooks, almanacs, reader's reference materials, and more!
- All formats available: hardcover, paperback, indexed, pocket, concise, large print, and more.
- Foreign Language editions available including materials appropriate for ESL and ELL classes.

Super Saver Discounts!

- FES also offers volume discounts on select popular titles from Merriam-Webster and American Heritage.

Foreign Language Reference Books

Whether your students are learning a second language or learning English for the first time, FES has the books to help them become more fluent in any language. Rely on FES to help your students meet foreign language requirements, excel in AP foreign language courses or break through language barriers.

- No matter what age group or grade level, FES has a wide selection of brand-new dictionaries, thesauri, and appropriate teaching materials for ESL and ELL classes.
- Our extensive publisher selection features major publishers like American Heritage, Merriam-Webster, Larousse along with less known publishers including Hippocrene, Bantam, Cassell, and Langenscheidt.
- FES offers reference materials supporting the most commonly taught languages including Spanish, French, Latin, German, Italian, Chinese, Japanese, and Portuguese as well as less common languages like Haitian Creole, Arabic, Punjabi (India), and more.
- Choose from all available formats including hardcover, paperback, pocket, concise, and other versions.
